### NOTES

- Future interest rate changes will be advertised in two daily newspapers and in all offices of the Society. Interest will be paid gross for non taxpayers subject to eligibility and the required registration. Otherwise interest will be paid after deduction of the appropriate rate of income tax. Interest on ISA accounts will be paid gross subject to scheme rules.
- \***Gross Rate** - the contractual rate of interest payable before the deduction of Income Tax at the rate specified by law.
- \*\***Net** - the rate of interest which would be payable after allowing for the deduction of Income Tax of 20%
- \*\*\***AER** - stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year (or monthly as the case may be).
- The Society is authorised and regulated by the Financial Services Authority. The Society's registration number is 206043.
