NOTES Future interest rate changes will be displayed in all our offices. With the exception of fixed rate and tracker accounts, interest rate changes will also be either advertised in two daily newspapers or customers will receive personal notification. If you are a basic taxpayer, since 6 April 2016 you have had a £1,000 Personal Savings Allowance (£500 if you are a Higher Rate taxpayer). This means most people no longer pay tax on their savings income. If you have savings income over your Personal Savings Allowance, you are responsible for making sure you are paying the correct tax directly to HM Revenue & Customs.

***Gross Rate** the contractual rate of interest to be paid on a savings account without any deduction being made in respect of personal Income Tax liability.

****AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year (or monthly as the case may be).

*****Tax Free Savings** Contractual rate of interest payable when the interest is exempt from tax.
