NOTES Current interest rates are displayed in our offices and on the Society's website. If you are a basic rate taxpayer, since 6 April 2016 you have had a £1,000 Personal Savings Allowance (£500 if you are a higher rate taxpayer). This means most people no longer pay tax on their savings income. If you have savings income over your Personal Savings Allowance, you are responsible for making sure you are paying the correct tax directly to HM Revenue & Customs.

\*Gross Rate the contractual rate of interest to be paid on a savings account without any deduction being made in respect of personal Income Tax liability.

\*\*AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year (or monthly as the case may be). \*\*\*Tax Free Savings Contractual rate of interest payable when the interest is exempt from tax.
