The daily cash withdrawal limit for savers is £500.

When you pay a cheque into your savings account our normal working practice[†] will be to allow withdrawals from the start of the sixth business day^{††} following the day of deposit^{†††}.

Funds are available for immediate withdrawal for all other types of deposit.

For cheque receipts, interest is paid from the day after the cheque is deposited^{†††} with us.

For cash and automated credits, interest is paid from the day of deposit^{†††}.

[†] Subject to the special terms applicable to your account

Business day means a day other than a Saturday, Sunday or Bank Holiday

^{†††} The day of deposit is the day it is paid in at a branch or it is received by us in the post

Our branch staff are always happy to spend time with you discussing our products and services and can let you have copies of our documents in larger print which are in plain English.

If you require any assistance to access our services please let us know. We will be happy to help you.

NOTES Current interest rates are displayed in our offices and on the Society's website. If you are a basic rate taxpayer, since 6 April 2016 you have had a £1,000 Personal Savings Allowance (£500 if you are a higher rate taxpayer). This means most people no longer pay tax on their savings income. If you have savings income over your Personal Savings Allowance, you are responsible for making sure you are paying the correct tax directly to HM Revenue & Customs.

*Gross Rate the contractual rate of interest to be paid on a savings account without any deduction being made in respect of personal Income Tax liability. **AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year (or monthly as the case may be). ***Tax Free Savings Contractual rate of interest payable when the interest is exempt from tax.
