Savings charges

The Society's tariff of savings charges is viewable on the Society's website. You can also speak to a member of staff who will confirm any current charges and provide a copy should you require it.

- * **Gross Rate** - the contractual rate of interest to be paid on a savings account without any deduction being made in respect of the personal Income Tax Liability.
- ** **AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added once each year (or monthly as the case may be).
- *** **Tax Free Savings** - contractual rate of interest payable when the interest is exempt from tax.
